

Construction Activity Notice #14

The Cape Cod Regional Transit Authority (CCRTA) is in the process of improving the Hyannis Transportation Center site to better serve our patrons. The CCRTA will be providing regular updates of any alternate pedestrian and/or bus patterns on our website and social media, as well as posted signs throughout the Hyannis Transportation Center property.

Dates: Week of April 15, 2019

Work Hours: Work activity will occur in the hours covering 7 AM to 7 PM.

Work Activity: The fenced-in area in the Short-Term Parking Lot will have additional earthwork, paving, drainage and utility work. The area encompassing the north and east side of the HTC building will have drainage, grading, and utility work. The pedestrian walkway and bus loading area along the one-way portion of Transportation Avenue is marked and includes signage. The solar canopy installers have mobilized in the eastern half of the long-term parking lot (railroad yard side) and are continuing construction activities. The other half of the parking lot will remain open for FREE public parking while construction activity is taking place. Employee parking will continue to be located in the Long-Term West Lot closest to Transportation Avenue until further notice. Contractor has set curbs and poured concrete sidewalks in bus circle area as well as the temporary bus loading area and will continue construction activities in this area. The “exit” side of the bus circle will be closed until further notice.

Impact to Riders: This phase of the Hyannis Transportation Center construction activity will have some impact to pedestrian and bus traffic. Any disruptions that may arise from this phase of the construction project will be posted and communicated through the CCRTA Information Booth public announcements.
