

Construction Activity Notice #6

The Cape Cod Regional Transit Authority (CCRTA) is in the process of improving the Hyannis Transportation Center site to better serve our patrons. The CCRTA will be providing regular updates of any alternate pedestrian and/or bus patterns on our website and social media, as well as posted signs throughout the Hyannis Transportation Center property.

Dates: Week of February 18, 2019

Work Hours: Work activity will occur in the hours covering 7 AM to 7 PM.

Work Activity: The fenced-in area in the Short-Term Parking Lot will be expanded to include additional earthwork, drainage and utility work. The temporary pedestrian walkway from the Long-Term East Parking Lot through the Short-Term Parking Lot along the railroad fence line will be closed and relocated to the opposite side along Transportation Avenue. The moved walkway will be marked with signage, safety cones and yellow rope. In addition the eastern half of the long-term parking lot (railroad yard side) will be closed and fenced off for future construction activities. The other half of the parking lot will remain open for FREE public parking while construction activity is taking place. Starting 2/15/2019, Employee parking will be relocated to the Long-Term West Lot closest to Transportation Avenue until further notice.

IMPORTANT NOTE: SHORT-TERM PARKING LOT WILL REMAIN CLOSED UNTIL FURTHER NOTICE.

Impact to Riders: This phase of the Hyannis Transportation Center construction activity will have some impact to pedestrian and bus traffic. Any disruptions that may arise from this phase of the construction project will be posted and communicated through the CCRTA Information Booth public announcements.
