## + Zero Emission Vehicle Transition Plan & Regional Support Study

### CCRTA ZEV Transition Analysis & Key Takeaways

#### CCRTA's ZEV Study with Hatch is continuing to make great progress

The Study has officially progressed into "Part II", which focuses more on specific recommendations for CCRTA's fleet transition to electric vehicles. The latest deliverable, the **CCRTA ZEV Transition Analysis & Key Takeaways** slide deck is our first look into Hatch's analysis specifically for Cape Cod and for CCRTA services.

The deck does a great job outlining what data Hatch considered in their analysis and their high-level thoughts for both our Fixed Route and DART services. Check out the presentation to learn more!

Transition Analysis & Key Takeaways Slide Deck

#### Recharge Cape Cod Huge Success!

The Recharge Cape Cod EV Test Drive Event, hosted by CCRTA, on June 3rd at HTC was a major success. The event featured electric

cars, bicycles, a bus, and vendor tables from a dozen local organizations. It was amazing to meet and engage with so many Cape Codders passionate about EVs and sustainability.

Did you miss the event? Check out Lower Cape TV's feature for great insight into the day!
